

BRUCE KIRSCHNER, M.D.
OPHTHALMOLOGY
LASER VISION CORRECTION

To my patients,

I am currently instructing my staff to have all patients complete new office forms. I understand that it may be an inconvenience to you, but I do appreciate your patience and understanding during this time. Though perhaps you may feel that you have had no changes in your health/personal history, you would be surprised to know how many changes can occur for some from one visit to the next. I want to provide the best healthcare to you and being able to review updated forms will further allow me to care for you. Feel free to speak to me directly during your exam should you have any questions.

Sincerely,

Dr. Bruce Kirschner
